

## Message from our Pastor

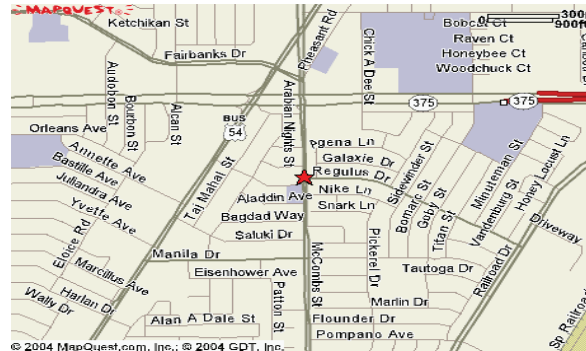

Thank you for your interest in having Northeast Christian Academy provide the education for your children. We welcome you to visit our school. Please understand that attendance at Northeast Christian Academy is a privilege that you and your children should appreciate and protect.

We want you to have an understanding of your role in our school and your children's Christian education. NECA was established in 1977 and has a long and exemplary history of providing not only an excellent education but also of imparting Christian values and ideals into its students. The home, church and school are three essentials and necessary pillars in a child's life. The necessity that these three essentials function harmoniously is beyond question but our mission is not to replace you as parents, but to be an extension of the home.

We are here to assist you in whatever way possible, but we cannot take your place.

## Welcome Message by Administrator

Welcome to Northeast Christian Academy, a Christian educational institution founded in El Paso, Texas, thirty-four years ago. Many of our students over the years have become great civic, business, and educational leaders throughout Texas. Others have succeeded in a variety of other professions (medicine, science, architecture, Officers in the Army and Air Force) and reside now in other parts of the United States, as well in other countries.

Our staff is made up of dedicated Christian men and women who are trained with the purpose of helping your children reach their fullest capacity. We offer a well thought out curriculum which carries with it moral and biblical influence. Northeast Christian Academy provides a safe environment for your children to learn in.

Come and be a part of the Northeast Christian Academy family. We would love the opportunity to educate your children in a Christian atmosphere which would impact them in a positive way for the rest of their lives.
